Offices of the Inspector General
of Education in Mysore
Bangalore 28 July 13

Circular C No 3 of 1913-14

The Inspector General observes that in some cases selection of teachers to Normal Schools for regular training is recommended at our discretion as the teachers cannot procure the instruction given therein. The Inspecting Officers are requested to see to it upon hand that proper teachers are selected for training and that when once the selection is approved & sanction is recommended. As far as possible promising young teachers who have held acting appointments for not less than a year should be selected. The teachers approved by the Circle should join the Normal School at once on pain of suspension or dismissal, unless they can advance satisfactory reasons for not doing so.

2 Teachers who are incapable of receiving training on account of age or infirmity and who in the Inspectors opinion are unable to leave home for long periods should be selected for the Special Normal Class of the Mysore Normal School, the Course for which is limited to about 3 months.
